

WINTER WEATHER CHECKLIST

When preparing to drive in winter weather conditions, you should go through and check the following items to make sure you are prepared to drive.

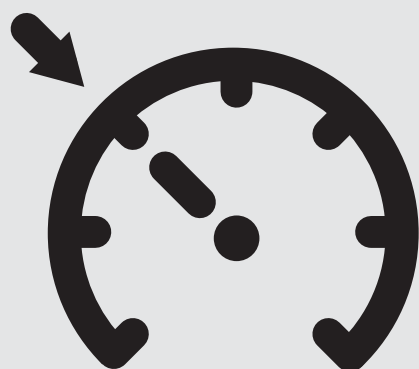

SPEED FOR CONDITIONS

Am I following the proper speed for current road conditions?

TRAILER STATUS

Is my trailer empty?
What are the risks associated with an empty trailer?

CRUISE CONTROL

Have I turned off cruise control?

PROVISIONS & CLOTHING

If I get caught in winter weather, do I have the necessary provisions & clothing to weather the storm?

ENGINE BRAKE

Have I disengaged the Jake brake (engine brake)?

CHECK THE WEATHER

What does the weather forecast say? Is the weather safe for me to be driving in?
