

GEO TAB

Please make sure you have completed the GeoTab course on Knight University. If you have not, you can scan this QR code to do so before you proceed.

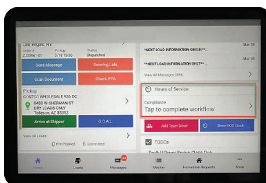

1. From the tablet's home screen, click the **GeoTab App**. (Do not attempt to log in, this will happen on the next step.)

2. Click the center home button on your tablet to go back to the home screen.

3. Click the **KT Mobile App** and login, using your existing credentials.

4. On your Hours of Service Card, click on "**Tap to Complete Workflow**".

5. Follow the on-screen instructions to certify your previous 8 days of logs. You are set!

Scan this QR code to see our ELD section on the Knight Hub to learn more.
